Axxess Is Platinum Sponsor of the National Association for Home Care & Hospice's Annual Meeting

Axxess committed to industry excellence through its support and technology solutions

DALLAS (Oct. 15, 2014) –Axxess, an industry leader in home health management software, proudly announces it is a platinum sponsor of the National Association for Home Care & Hospice's (NAHC's) "2014 Annual Meeting – Conference & Exposition" being held October 19-22 in Phoenix, Arizona. The conference will be attended by health care providers in home health, hospice, nursing homes, assisted living and private duty settings.

NAHC represents the nation's 33,000 home care and hospice providers, along with the more than two million nurses, therapists and aides they employ. These clinicians provide services to approximately 12 million patients who are aged, disabled or ill. "Our sponsorship is yet another example of our commitment to the industry and the education of its professionals," said John Olajide, CEO of Axxess. "This support is further exemplified by our innovative technology which streamlines documentation activities, enabling clinicians to focus more on delivering quality patient care." Axxess will also demonstrate its integrated suite of software solutions at booth 1739.

During the three-day conference, attendees will gain insight into new technology, marketing and business development practices, legal and regulatory requirements, clinical protocols and management

breakthroughs, which will help health care agencies lower costs and increase their ability to provide quality care.
