## **Axxess Wins a Best Places to Work Award**

*Dallas Business Journal Recognizes Axxess as One of the  
'Best Places to Work in North Texas'*

DALLAS (May 1, 2015) – [Axxess](#), an industry leader in home health management software, garnered a local business award [2015 Best Places to Work in North Texas](#) from the *Dallas Business Journal* (DBJ). The prestigious journal will recognize business honorees and reveal the list rankings in the June 26 issue of the DBJ.

“We’re honored to receive this award from the *Dallas Business Journal* as a 2015 Best Places to Work in North Texas,” said John Olajide, President and CEO of Axxess. “It’s an affirmation of our dedication to be highly sought after by employee candidates who are looking for a great place to begin or advance their careers and make a positive difference in the healthcare industry.”

Axxess provides integrated cloud-based software that empowers healthcare organizations to manage all aspects of their operations, so they can grow their business while improving patient outcomes.

The top 100 Best Places to Work were determined by an independent research firm, Quantum Workplace, which surveyed employees from several hundred companies before compiling the data, crunching numbers and tallying results.

## **About Axxess**

Dallas-based [Axxess](http://www.axxess.com) is a leading health care software company that provides cloud-based software to the home health care industry. The comprehensive and user-friendly software solutions by Axxess empower home health agencies and improve their efficiency by integrating all aspects of their operations so they can focus their attention on what matters most: patient care. The innovative software solutions by Axxess put all care and administrative aspects of a home health care agency at the fingertips of providers and managers and have propelled Axxess to quickly become the industry's fastest growing home health software company. Axxess is the only home health software provider accredited by the ANCC (American Nurses Credentialing Center) and is a member of HL7 (Health Level Seven International, the global authority on standards for interoperability of health information technology). Axxess is a member of the Alliance for Home Health Quality and Innovation (AHHQI), the National Association for Home Care and Hospice (NAHC), and major state associations nationwide.
