Dallas (February 07, 2012) -- The American Nurses Credentialing Center's Commission (ANCC) on Accreditation granted [Axxess](#) the prestigious ANCC accreditation as an approved provider of continuing education training on Tuesday January 31, 2012. This accreditation sets Axxess apart in the entire home health industry. Among other things, it demonstrates Axxess' commitment to excellence in continuing education (CE) training.

With this accreditation, [Axxess](#) has demonstrated a commitment to excellence and capacity to provide the highest quality of continuing education training to nurses across any practice spectrum worldwide. Axxess is already an approved provider of continuing education training in the administration of home health agencies by the Texas Department of Aging and Disability Services (DADS). Axxess is the first and only consulting and technology company in the industry to achieve this feat.

**About Axxess**

Axxess is a leading provider of support, consulting, training and technology services to the home health care industry. Axxess provides customized and cost-effective solutions to the home health care industry. Committed to delivering innovation, Axxess collaborates with its clients to help them become high-performance businesses. With deep industry and business process expertise, broad resources and a proven track record, Axxess mobilizes the right people, skills and technologies to help clients improve their performance. Axxess is headquartered in Dallas, TX. Please visit <http://www.axxessconsult.com> to learn more about Axxess.

**About ANCC**

ANCC is the world's largest and most prestigious nurse credentialing organization. ANCC certification exams validate nurses' skills, knowledge, and abilities. More than a quarter million nurses have been certified by ANCC since 1990. More than 80,000 advanced practice nurses are currently certified by ANCC. ANCC accreditation of a continuing nursing education program is the hallmark of quality. ANCC is the nation's leader in accreditation of continuing nursing education programs.

The ANCC Magnet Recognition Program recognizes healthcare organizations that provide the very best in nursing care and professionalism in nursing practice. The program also provides a vehicle for disseminating best practices and strategies among nursing systems. The ANCC Magnet Recognition Program is the gold standard for nursing excellence.

The Pathway to Excellence Program recognizes the essential elements of an optimal nursing practice environment. The designation is earned by healthcare organizations that create work environments where nurses can flourish. The award substantiates the professional satisfaction of nurses and identifies best places to work.
