### **Axxess Partners With CoachUp Care to Offer Clients Workforce Engagement and Retention Tools**

DALLAS, March 3, 2025 – Axxess, the leading global technology platform for healthcare at home, has partnered with [CoachUp Care](#), a first-of-its-kind culture operating system, to provide Axxess clients tools to build stronger, more connected teams through automation, team engagement and workforce insights.

“Our partnership with CoachUp Care reflects Axxess’ commitment to delivering top-tier workforce management solutions to our clients,” said Chris Taylor, senior vice president of channel partnerships at Axxess. “Through a suite of engagement and communication tools, our clients gain powerful insights to enhance their recruitment and employee retention efforts.”

Through this partnership, Axxess clients can build a connected virtual company community that strengthens team engagement and improves workforce outcomes. By leveraging real-time insights and automation, providers can proactively address turnover before it happens.

This partnership gives home care providers full access to CoachUp Care’s suite of engagement tools, including rewards, recognition, celebrations, surveys, polls, and employee referrals—all designed to increase retention, job satisfaction, and expand recruitment pipelines.

“This partnership provides Axxess clients with a seamless, data-driven approach to workforce engagement and retention,” said Brandi Kurtyka, CEO of MissionCare Collective, the parent company of CoachUp Care. “CoachUp Care provides companies with a scalable framework to enhance and measure employee experiences, leading to higher engagement, increased retention, stronger business performance, and ultimately the delivery of quality care.”
