**Axxess Hosting March 1 Webinar Featuring Home Care Leaders  
Sharing How to Keep Employees Happy**

*Androscoggin Home Healthcare and Hospice, Bristol Hospice  
and SimiTree Healthcare Consultants to Participate*

DALLAS, February 21, 2022 – Axxess, the leading technology innovator for healthcare at home, is hosting a webinar on March 1 at 1 p.m. CST featuring a discussion among home care leaders on how to keep employees happy.

The discussion, to be led by workforce expert Eric Scharber, Managing Principal, SimiTree Healthcare Consulting, will also include Ken Albert, President and CEO of Androscoggin Home Healthcare and Hospice, and Sonnie Linebarger, Chief Operating Officer of Bristol Hospice.

Axxess and SimiTree recently released results of their [2022 Industry Trends Report](#), based on a survey of more than 1,800 respondents providing input into current workforce challenges and strategies organizations can use to more effectively engage and retain employees.

“This webinar will offer solutions from industry leaders having success in managing the staffing challenges identified in our survey,” said Axxess Founder and CEO John Olajide. “Attendees will hear from an expert on industry workforce issues and two leaders who are successfully steering their businesses toward growth. It will be a conversation other providers can learn from.”

[Best Practices for Home-Based Care Employee Engagement and Retention](#) will be held virtually on March 1, at 1 p.m. CST. Registration is open.

Providers will learn actionable steps to retaining their employees, including:

- Metrics to monitor and strategies to respond
- Innovations and steps to reduce employee burnout
- Ways to improve staff onboarding and career journeys
