## **Palliative Care Providers Using Axxess Can Expand Business With Medicare and Medicaid Payments**

*Axxess Solution Earns ONC CEHRT Designation as Meeting CMS Standards*

DALLAS, January 12, 2023 – Palliative care providers using Axxess can now expand their business with Centers for Medicare and Medicaid (CMS) payment models. [Axxess Palliative Care](#) has earned the Office of the National Coordinator for Health Information Technology (ONC) certified electronic health record technology ([CEHRT](#)) designation. CEHRT recognizes that Axxess' palliative care solution complies with CMS standards.

“The ONC CEHRT designation opens the door for new payment agreements and opportunities for our clients,” said Axxess Founder and CEO John Olajide. “We developed the first standalone palliative care solution, and we continue to be intentional about how we advance it. Along with our [CHAP Verified status](#), ONC CEHRT demonstrates that our clients can put their trust in Axxess.”

To meet the criteria for ONC CEHRT, Axxess Palliative met certification criteria for audit reports, end-user device encryption, multi-factor authentication, accessibility-centered design and more.

Additional details regarding the CEHRT designation include:
